

# 55th Annual Marlin Tournament

JULY 22-24, 2021

## 55th Annual Marlin Tournament

Dear Fellow Angler,

The Yacht Club of Stone Harbor Marlin Tournament has been an annual tradition for many of you over the 55 years of the event. Due to the impacts of Covid-19 throughout 2020, we were unable to host the event at the Yacht Club as usual. However, we still held the event with record turnout and record catches!

This year we would like to once again welcome you to participate in the 55th Annual Marlin Invitational Tournament, which will be held Thursday, July 22nd through Saturday, July 24th. We hope to accommodate all those who express interest to fish with us, however space is limited.

Due to expected restrictions on indoor gatherings the full dockside venue will be held poolside at Canyon Club Resort Marina, including Captains Meeting and Awards. After each fish day we have a meat fish weigh in, as well as cocktails, music and dinner for participants. We also encourage you to come dock with us at Canyon Club for the tournament days if you are not there already. (Please note that you must fish out of Cape May Inlet) Once again, we expect a great turnout for this year's event and hope you can join us for our tournament of friendly competition and class!

We look forward to hearing from you and fishing beside you in this year's tournament.

Sincerely,  
Jamie Diller, Red Coat Committee Chairman

For questions regarding the tournament please feel free to contact Aaron Hoffman  
at 609-412-3778  
or Jamie Diller at 609-827-0020

*\$250 per Fish Day - Most Daily Points*

**1st Place - 100%**

# 55th Annual Marlin Tournament

## 2021 RULES AND REGULATIONS

The tournament is primarily a billfish release competition, with all entrants considered good sportsmen and their fishing reports being accepted in the sportsmanlike manner and honor in which this tournament is held.

1. All boats, captains and anglers must be registered by 7:30pm with the Tournament Committee at the Captain's Meeting.
2. Only the tournament committee or the weather committee may declare NO FISHING prior to 6:00am on any of the scheduled days based upon weather conditions issued by the NOAA or reports from tournament weather boats.
3. No boat shall be permitted to leave Cape May inlet sea buoy prior to 4:00am. Departure may be made from the Cape May Inlet only.
4. Fishing Hours: Fishing begins at 8:00am. No lines or teasers are permitted in the water prior to that time. Fishing ends at 3:30pm. Any boat with a fish hooked up prior to that time and not landed or released must contact a committee boat prior to 3:30pm and inform them of such for the fish to be eligible.
5. Any protests must be made in writing to the tournament committee for formal consideration by 12:00pm on the day of the awards banquet.
6. Tackle used in the tournament must conform to I.G.F.A. rules. There is no limit on the size of tackle used. Circle hooks must be used with any combination of natural bait. J hooks are permitted in all 100% artificial baits.
7. **Reporting Fish:** All fish released must be reported to another tournament participant over the designated tournament channel. Each boat will be supplied with two daily catch reports for each fishing day of the tournament. The daily catch report must be turned in each day to the tournament committee at the Canyon Club weigh station by 8:00pm the evening of each fishing day.
8. A fish will be considered released when the swivel touches the rod tip or the mate touches the leader.
9. Team competition will consist of teams of up to three boats each, the teams vying for prizes for first and second place. Teams will be picked lottery style at the captain's meeting.
10. All fish caught and/or released shall be final by 8:00pm each fishing day. The boat captain is responsible for reviewing that all fish caught and/or released are recorded properly.
11. Radio communications for fish reporting purposes will be announced during the Captain's Meeting.
12. Committee and Weather Boats will be announced during the Captain's Meeting.
13. Scoring: Points will be awarded as follows;  
**White Marlin Released | 100 points**  
**Blue Marlin Released | 100 points**  
**Spearfish Released | 100 points**  
**Sailfish Released | 100 points**  
  
*Note: No points for any Billfish Boated*  
*Any ties in points between boats will be decided by time.*
14. Anglers awarded points will be accumulated for scoring by two methods; A) IGFA Angler Points whereas from the time that a fish strikes or takes a bait or lure, the angler must hook, fight, and land the fish without the aid of any other person. B) Hook & Hand Angler Points whereas a fish may be hooked by someone other than the angler provided the rod is immediately transferred to the angler after hook-up. From that time on, the angler must fight the fish alone until released.
15. Weigh-ins begin at 5:00pm. All eligible fish must be available for weigh-in by 8:00pm at Canyon Club Marina.
16. **Calcutta:** Entry fee is \$1500 (cash preferred) total for all categories per boat **payable at the captains meeting.** \$500 Marlin, \$250 Tuna, \$250 Dolphin, and \$250 Daily Points Calcutta per each available fish day. Participants can enter any category individually, all four, or none. It is entirely up to you.  
  
Winners determined by total accumulated release points on Billfish and by weight for Tuna and Dolphin.  
  
Winnings distributed as follows:  
**Marlin Division | 1st place boat 75% | 2nd place boat 25%**  
**Tuna Division | 1st place boat 75% | 2nd place boat 25%**  
**Dolphin Division | 1st place boat 75% | 2nd place boat 25%**  
**Daily Division | 1st Place Boat Fish Day One 100%**  
**Daily Division | 1st Place Boat Fish Day Two 100%**

**55th Annual Marlin Tournament**
